FEE, LEVY AND ENTITLEMENTS SCHEDULE - Guideline

Ausscot Family Day Care is a flexible childcare service available across a range of hours and days, including nights and weekends, at numerous sites across regional NSW. We endeavor to meet each family’s specific childcare needs by offering a variety of Family Day Care service options.

Childcare and Education are provided by an independent contractor (Educator) registered with Ausscot Family Day Care (AFDC). Our education and care service operates under Australian Government statutory legislation and the Australian Children’s Education and Care Quality Authority (ACECQA).

Child Care Subsidy (CCS) and Additional Child Care Subsidy (ACCS) is assessed by and provided to parents/guardians by the **Australian Government**. Ausscot Family Day Care is the Approved Child Care Provider registered with Services Australia to process and submit claims for CCS & ACCS for and on behalf of parents/guardians and in accordance with statutory legislation.

The parent/guardian will make a co-contribution payment, known as a ‘gap fee’ for their childcare fees. This is payable to Ausscot Family Day Care.

The ‘gap fee’ is the difference between; the Educator Fee charged + the Parent Administration Levy + Educator extra fees minus (-) the Child Care Subsidy paid by Services Australia.

It is an offence to provide false and misleading information which may be pursuant of Federal and State Law.

EDUCATOR FEES

Parent Administration Levy: **\$1.90 per hour/per child** is in addition to the above Educator fees.

Child Care Subsidy: **\$13.24** is the maximum hourly capped rate for 2024 – 2025 financial year, subsidised for Family Day Care, set by the Australian Government Department of Education, up to the Parent/Guardian’s eligible hours.

There are three things that will determine a family’s level of Child Care Subsidy and eligible fortnight hours:

1. Combined family income;
2. Activity level of both parents/guardians; and
3. Type of child care service.

EDUCATOR’S EXTRA FEES:

Non-School Travel: **\$ varies** per trip **CCS** is not eligible for non-school travel
Late Pickup Fee: **\$ varies** per 15 Minutes **CCS** is not eligible for late pick up fee

PARENT/GUARDIAN CO-CONTRIBUTION PAYMENT (known as the 'GAP FEE'):

Parents/Guardians pay Ausscot Family Day Care, via Direct Debit, using our third-party gateway, redPAY, by nominating their Direct Debit payment option, via a secure link. **Payment MUST NOT be made directly to the Educator.**

Direct Debit transaction fees are paid by the Parent/Guardian, per AFDC processing either fortnightly or weekly. Charges are:

- Pay by Bank Account Transaction Fee \$ 0.70
- Credit Card Transaction Fee \$ 0.70
- Credit Card Surcharge Fee 1.9%
- Dishonor Fee \$ 8.70

If a parent/guardian refuses to pay their invoice for the 'Gap Fee' via redPAY Direct Debit, AFDC cannot continue their childcare as other options are not available.

If a parent/guardian payment for an invoice for childcare is declined twice, childcare with AFDC will cease immediately and will not re-commence until payment is made.

Our service will work with parents/guardians to avoid the above, and payment is subject to the discretion of the Approved Provider or the Nominated Supervisor.

BOOKED HOURS:

Parents/Guardians will be required to hold a **Parent/Guardian/Educator Booking** agreement with their Educator outlining their agreed days and hours.

Ausscot Family Day Care recommends that Educators' charge for minimum hours per day. Example: minimum of 6, 8 or 10 hours per day, as per their Fee, Levy and Entitlements schedule. However, Educators must be available to provide the childcare for ALL hours being charged. Fees will not be charged for any hours that are not available for use by the child.

HOLDING FEES:

Under the Australian Government, CCS is paid for up to 42 days absences for each child per financial year without the need to provide documentation such as medical certificates. All absences beyond the first 42 days will only be paid as "*additional absences*" if the parent provides evidence that the absence has occurred under a permitted circumstance. Such as a medical certificate, a parent or sibling with a medical certificate, rostered day off, a temporary closure of a school or pupil free day, a period of local emergency or court ordered shared custody.

Educators may charge a holding fee if your child is absent from care on a booked day. To charge a holding fee the Educator MUST be available for work. If the Educator is not available to work, then there is no charge.

- **ALL HOLDING FEES (ABSENCES) ARE CHARGED AT THE NORMAL FULL FEE.**
- **If the child's booked day is on a Public Holiday and care is not needed**, standard childcare fees are charged for permanent bookings which fall on a public holiday and CCS is applicable. However, if the Educator is not available to work, immediately before AND directly after the Public Holiday, the Educator cannot charge, as they were on leave.
- Educators who provide care on a Public Holiday will charge a Public Holiday rate (CCS will be available) only to those children who attend. CCS is NOT, however, paid for public holidays if 42 absences have already been used, full fee will apply.

ADDITIONAL CHILD CARE SUBSIDY (ACCS):

To get this you must be eligible for Child Care Subsidy, and you need to be one of the following:

1. an eligible grandparent getting an income support payment;
2. transitioning from certain income support payments to work;
3. experiencing temporary financial hardship; or
4. caring for a child who is vulnerable or at risk of harm, abuse or neglect.

CASUAL CARE:

Casual fees are for non-regular bookings! They can be during standard hours or non-standard hours. They are available to parents/guardians for any reason including to have a night out or to attend social functions on weekends.

Educators are under no obligation to provide casual bookings. If your Educator offers casual bookings, please discuss the rates with your Educator, to ensure you are aware of the fee. Casual rates are eligible for CCS & ACCS if the child has not already used all their fortnightly entitlement hours.

Children in casual care are covered by the same regulations as standard hours of care.

CEASE CARE INFORMATION:

When care is ceasing either by the parent or the Educator **14 DAYS NOTICE MUST BE GIVEN**. Regardless of the hour the notice is given, that day is counted as day one of the cease care notice.

Fees will be charged during this notice period. If a child attends some or all of this notice period, and is not absent on the last day, then CCS will be available. However, any last day absence(s) from a permanent booking (after which the child never returns to care) they do not receive CCS and are therefore charged at the full fee rate.

THE FOLLOWING ARE NOT ELIGIBLE FOR CCS:

- On a cease care HOLDING FEE if the child is not physically in care with an AFDC Educator, after cease care notice was given.
- For any care that exceeds the parent/guardians' maximum number of eligible hours or allowable absences.
- For an absence if the child has not physically started care or was not physically in care on the last day.
- For an absence if the parent /guardian informs the Educator they are taking the child out of care on a set date and then change their mind and remove the child earlier.
- If the parent changes to another Educator immediately, then CCS & ACCS cannot be paid to two Educators for the same days and times.

Application for Child Care Subsidy entitlement is made directly with Services Australia.
